

The **Affordable Housing Leverage Fund (AHLF)** is an aggregation of multiple funding sources that CDF manages to support the production and preservation of affordable housing in Greater Cincinnati. Final funding decisions will be based on project need and impact, following a full application and underwriting process. The project details submitted here will inform an initial eligibility analysis. Note: Please use the "Save As" feature to save a version of this application to your computer or local server. Once completed, send via email to lending@cindevfund.org.
